RE: RFP # 08-008-11R - Digital Orthographic Projection Services

PURCHASING DEPT.

Our selection committee has chosen Pinnacle Mapping Technologies, Inc. to be the recipient of this contract. Although Pinnacle Mapping Technologies, Inc. was \$11,190 higher than the lowest bidder (Sanborn) we feel that the cost is justified due to the lower flight altitude and more flight lines to be flown both of which should create better quality images. This selection is also due to past work performance which should help with the integration of this new data into our existing system.
